CHIEF SECRETARY 13 JUNE 1931

SIR,

R.7
17/6/31

I have the honour to state that, according to the recent orders, the press works from 7-30 A.M. to 12-30 P.M on Saturdays but the Stationery Depot and the Stamp Manufactory which are also under my charge work from 11 A.M. to 5 P.M., as usual, on these days. From my experience of the working of the new hours in the press for one year, I find that the ~~the~~ working of the Stationery Depot and Stamp Manufactory in the afternoons when the press is closed is not conducive to efficiency and discipline. The Stamp Office will have ~~not~~ no officer on the spot except the Supervisor, while the Stationery Depot and Forms Branch suffer from lack of co-ordination as the paper room and the despatching branches of the Press are closed at the time the depot and the forms Branch, which are all inter-related, are working. On occasions, when the Sub-Assistant Superintendent in charge of the Stationery Depot is absent on leave or away at Mysore acting for the Assistant Superintendent, there will be no officer on the spot to look after the ~~working of the~~ offices working in the afternoons. Moreover, this arrangement is working as a hardship on the Press

and the peon in charge of the rear gate leading to the water closets have to be on duty and have to be paid overtime.

In order to obviate all these difficulties, I beg that permission may be kindly accorded to hold the Stationery Depot and the Stamp Manufactory from 7-30 a to 12-30 P.M., only on Saturdays.

I have also written to the Commissioner of Stamps requesting him to kindly support my recommendation

I have the honour to be,
Sir,
Your most obedient servant,

B. Ratnaiyga
